## **Introduction**

### **What is the Herefordshire Three College Year 10 Taster Morning?**

The taster morning has been put together to provide you with an opportunity to experience what it would be like to study at these Colleges.

### **What is in this booklet?**

This booklet contains a list of all courses being offered as taster sessions by the different Colleges on the day. Please take time to read through and make yourself familiar with all that is being offered.

### **What will happen on the day?**

09:30: Introductory talk  
10:00: Taster Session One  
11:15: Orientation & Break  
11:45: Taster Session Two  
13:00: Evaluation  
13:15: Event Close

### **Can I wear my own clothes?**

Yes! We expect students to turn up in their own clothes. For some courses you may be asked to wear or bring suitable footwear or clothing for particular taster sessions. Further details will be given to you after you have made your choices.

### **What do I need to do?**

- Please choose four options that you are interested in studying after Year 11.
- If you are struggling to decide on which subjects to choose please approach your tutor / careers guidance member of staff for support and advice.
- Remember—it is important to choose those subjects that you really want to ‘taste’ rather than going for those that your friends have chosen, just so that you can be together.

### **Will I get to do the sessions I choose?**

- During the day, you will get the opportunity to take part in two out of the four different options you have chosen. However.....
- Some of the sessions last the whole morning in which case you will only be able to ‘taste’ one — these are clearly labelled throughout so please take this into consideration when making your choices
- Please bear in mind though that many of the workshops have a maximum capacity of 15—20 students and you will be allocated on a first come first served basis.
- We will fit you in to two of your four choices.
- Where we are unable to accommodate you in any of your choices, we will contact you to discuss further options.

### **Other Information**

There will be a map provided and an area clearly marked where you can go to if you become lost or are unsure of where you should be at your next session.

Please find below the options for the taster sessions being offered by Herefordshire & Ludlow College. **Please note that all workshops last for one session unless marked with a \*.** In this instance, the workshop will last the whole morning, taking up both workshop options.

Faculty of Technology
<b>Brickwork</b> <i>(must wear strong shoes ideally with steel toe cap)</i>
<b>Carpentry &amp; Joinery</b> <i>(must wear strong shoes ideally with steel toe cap)</i>
