

## The Sociology Department

The Sociology department is a successful and large department with a combination of full and part time staff. We currently have over 300 students studying the A Level or GCSE qualifications. We are extremely proud of the quality of the course and the outcomes achieved.

The person appointed will work with staff in the department to help maintain and build on past achievements by bringing not only enthusiasm and commitment, but also new ideas to a department that welcomes innovation. The sharing of good practice, including lesson resources, is actively encouraged in order to deliver highly effective courses that enable students to achieve excellent value-added results.

With regard to teaching facilities, the department is very well equipped with 4 classrooms. The department also has a large office/staff workroom where all members of staff are provided with their own desk and networked computer. A college laptop will be provided where requested. The Sociology team is large, but very friendly and we are committed to working together to provide the best possible outcomes for our students.

The position currently being offered is an excellent opportunity for an enthusiastic teacher wishing to join a well-established department at a sixth form college with an excellent reputation. Applications from NQT's are welcomed.
